

Golden Oak Cast Member Building

10004 Ferndell Park Dr., Orlando, FL, 32836

Contract Value
\$2.3 M

Architect
TLC Engineering for Architecture

Square Foot
5,600 SF

Type of Project
Ground-up

Scope

This project consisted of ground-up construction of a metal warehouse for Disney's Cast Members.

Work included installing a Knox box and a fire protection sprinkler system. All utilities were installed, as well as permitting, irrigation systems, fencing and gates. Landscaping was also conducted by T&G, as were CCTV, insulation, doors and windows, and of course, all finishes.

Completed this project resulted in the satisfaction of the clients needs and wants.
