800 NW 62nd Ave, Miami, FL 33126

**\$** Contract Value  
**\$500 K**

**Architect**  
**Leo A Daly**

**Square Foot**  
**4,305 SF**

**Type of Project**  
**Buildout**

## Scope

This office space build-out located in Miami was completed late 2019 adding a new and fresh look to Leo A Daly office space. Scope included tenant finish out of an existing office building on the ground floor and consisted of removal metal stud framed partitions, doors, partitions, installations of all finishes.

Renovations maintained a fully fire-alarmed interior renovation. Project was a hard bid. Once awarded, T&G worked with the client and used buyout savings to get some previous value engineering items back into the scope of work.
