T&G CONSTRUCTORS BEGINS PHASE 2 OF PRINCETON 248 PROJECT

Princeton, Fla. (2024) —

T&G Constructors announces the commencement of phase 2 of their multifamily project in Princeton, FL. Following the successful completion of phase 1 in December 2023, phase 2 of Princeton 248 marks another milestone in this multifamily development.

Phase 2 will include the construction of two five-story buildings, contributing an additional 150 units to the complex. Upon completion of both phases, Princeton 248 will boast a total of 212 modern, upscale living spaces.

With phase 2 underway, T&G in collaboration with ATL Architecture, continues to demonstrate its dedication to creating modern, sustainable, and thoughtfully designed residences that meet the evolving needs of residents in Princeton and surrounding areas.

T&G Constructors is one of the largest minority owned construction management firms in Florida and holds offices in Miami, Delray Beach and Orlando. Specializing in ground up and large scale renovations throughout various market sectors.
